MEMORANDUM FOR: Assistant for Administration

ATTENTION :

SUBJECT : Delivery of Electronic Counters

REFERENCE :

1. The equipment to be delivered under [REDACTED] is to be provided to other manufacturers as GFE to incorporate in products which they are building for NPIC. Since two of the manufacturers involved are both on the west coast it is to the advantage of the Government to ship directly between the two manufacturers. This is further amplified by the tight production schedules involved.

2. It is therefore requested that one [REDACTED] Model 2825A Control Panel, two (2) [REDACTED] Model 2826B Bi-Directional Counters, and one (1) [REDACTED] Model 2827A Synchronizer be shipped directly from [REDACTED] to [REDACTED] to be incorporated as part of [REDACTED]. The remaining equipment under [REDACTED] shall be shipped to NPIC for testing prior to turning over to [REDACTED] as GFE equipment.
